Photos: Joe Caffrey (IFI)

Be biosecurity aware! To avoid the risk of introducing and / or spreading harmful aquatic invasive species or pathogens, please clean and disinfect any equipment that has been used or come into contact with water. For best practice guidelines refer to:

<http://www.fisheriesireland.ie/Invasive-Species/invasive-species.html>

For reporting incidences of invasive species
FREephone 1890 34 74 24

Detrimental to human health. Sap produced by plant is photosensitive and can cause serious skin inflammations.
